The two sisters, **Maddie Partida** and **Jackie Kohls**, preceded its release with two singles "**Selfish**" and "**Up in the Clouds**" at the beginning of the year. They also released a Christmas song last winter titled "**A Very Merry Christmas**". The new featured single is an upbeat, bilingual song they co-wrote titled "**Closer**". Strong lead vocals by Maddie and shredding guitar solos by Jackie are showcased on every song and contribute to the uniqueness of the EP.

The *Closer* EP was recorded & produced at Santo recording studio by 25+ Platinum & Gold hits producer/audio engineer **Dale "D-Wiz" Everingham**, who has worked with artists such as Destiny's Child and En Vogue. It also features catchy beats written by Maddie & Jackie's friend, talented drummer and audio engineer, **Ryan Loomis**.
